

STUDYING BEAUTY THERAPY AT THE ARCH

Our Beauty qualifications are offered at Level 1 and Level 2 (QCF). People who have gained these qualifications can go on to work in a wide variety of settings, including spas, beauty or nail salons and even salons on board cruise ships.

They are suitable for anyone seeking to work in the ever-growing beauty industry.

You should be at least 14 years old. You can usually complete the Certificate in a year.

When studying with us, you will be fully supported by a personal tutor. Your tutor will help with any issues that arise. At The Arch, we firmly believe that every learner should achieve their full potential and will work hard to make sure that this happens. You will therefore be offered enhancement qualifications, including Health and Safety and First Aid training and the Duke of Edinburgh's Award.
