

STUDYING SPORTS AT THE ARCH

Developed in partnership with industry experts, the Level 1 and Level 2 Certificates in the Principles of Coaching Sport (QCF) provide learners with both the theoretical and practical aspects around the principles of coaching sport.

The qualifications are ideal for those wishing to develop as a sports coach, with progression opportunities to sport-specific based coaching qualifications. They provide learners with an introduction to the knowledge and skills required to be an effective sports coach.

You should be at least 14 years old. You can usually complete the Certificate in a year.

When studying with us, you will be fully supported by a personal tutor. Your tutor will help with any issues that arise. At The Arch, we firmly believe that every learner should achieve their full potential and will work hard to make sure that this happens. You will therefore be offered enhancement qualifications, including First Aid, Health and Safety and Manual Handling training and the Duke of Edinburgh's Award.
